# About Us

Founded in 1986, JANTE is a leading textile company based in Denizli, Turkey, with a rich history of delivering excellence in fabric and garment production. Over the decades, JANTE has established a strong reputation for quality, innovation, and reliability, earning the trust of a diverse and loyal clientele.

Our state-of-the-art facilities cover an expansive 50,000 square meters, where a dedicated team of 320 skilled professionals work tirelessly to meet the demands of our clients. Each month, we produce an impressive 2 million meters of woven fabric, 300 tons of knitted fabric, and 500 tons of dyed fabric, ensuring a consistent supply of high-quality materials. Additionally, our garment production capacity has grown significantly, enabling us to produce up to 300,000 pieces per month.

At JANTE, we pride ourselves on our commitment to continuous improvement and innovation. By investing in advanced technology and refining our production processes, we have enhanced our ability to handle large-volume orders with shorter lead times, ensuring that our clients receive their products promptly and efficiently.

Our success is built on a foundation of fair pricing, a diverse product range, and a deep understanding of the industry's evolving needs. As we continue to grow and expand our capabilities, JANTE remains dedicated to maintaining the highest standards of quality and service in everything we do.

Textile Meets Art:

## Crafting Custom Solutions at JANTE

At JANTE, we believe that textiles are more than just materials—they are a canvas for creativity and innovation. Since our founding in 1986, we have been dedicated to transforming our clients' visions into reality through custom textile production. Our commitment to quality, precision, and artistic excellence sets us apart in the industry.

Custom production at JANTE is a collaborative journey. We work closely with our clients to understand their unique needs, whether it's for fashion, home textiles, or specialized industrial applications. Our team of experts combines decades of experience with the latest technology to bring each design to life, ensuring that every piece we produce reflects the client's brand identity and artistic vision.

Our extensive production capabilities allow us to offer a wide range of custom services. With a monthly production capacity of 2 million meters of woven fabric, 300 tons of knitted fabric, and 500 tons of dyed fabric, we have the flexibility to handle orders of any size. Whether it's creating bespoke fabrics for a high-end fashion line or producing large quantities of textiles for commercial use, JANTE is equipped to deliver.

The artistic aspect of our work is what truly distinguishes us. We see each project as an opportunity to explore new textures, colors, and patterns, pushing the boundaries of what textiles can achieve. Our skilled artisans and advanced machinery work in harmony to produce fabrics that are not only functional but also visually stunning.

At JANTE, textile meets art in every thread, every weave, and every stitch. We are passionate about helping our clients express their creativity through custom textiles that are as unique as their brand. Whether you have a clear vision or need guidance in the design process, our team is here to bring your ideas to life with unparalleled craftsmanship and attention to detail.

Complete Your Bedroom Oasis:

## JANTE's Versatile Bed Sets

Transform your bedroom into a serene haven with JANTE's versatile bed sets, designed to combine comfort, style, and practicality. Our bed sets provide a cohesive look that suits any décor, making it simple to create an inviting and elegant space.

Each JANTE bed set is meticulously crafted to include essential bedding items such as duvet covers, bed sheets, and pillow covers, with the option to customize the set to fit your specific needs. We offer a variety of fabric types, including satin, percale, ranforce, cretonne, and poplin, ensuring that you find the perfect texture and feel for your bedroom.

Our bed sets are available in a wide range of thread counts (TC90 to TC400) and GSM weights (100 gsm to 290 gsm), allowing you to choose the level of softness and durability that suits your preferences. We use high-quality fibers such as cotton, linen, bamboo, polyester, and poly-cotton blends, offering a diverse selection to cater to different tastes and needs.

JANTE bed sets are designed for flexibility in style, with options for plain dyeing and various printing techniques, including digital, rotary, and panel printing. With sizes ranging from 80 cm to 315 cm, our bed sets can accommodate any bed size, ensuring a perfect fit.

Additionally, we offer the option to package your bed sets with your own brand label and promotional items, making them an excellent choice for businesses looking to create a personalized product line. Our technical team is always available to provide further details and assist with any customization requests, ensuring that you receive a product tailored to your specifications.

Elegance and Comfort:

## JANTE's Pique and Blanket Collection

Discover the perfect blend of warmth and style with JANTE's premium pique and blanket collection. Crafted from 100% high-quality, selected cotton, our pique and blankets are designed to provide the ultimate in comfort while adding a touch of elegance to any space.

Our pique and blankets stand out for their unique waffle pique texture, achieved through a sophisticated production method that ensures a light yet warm feel. The distinctive decorative stitch edging further enhances their extravagant look, making them a stylish addition to both homes and hotels alike.

To maintain the vibrant colors and ensure long-lasting quality, we recommend washing your pique and blankets separately before first use and opting for detergents without optical brighteners. This careful approach helps preserve the beauty and integrity of the fabric.

JANTE's commitment to quality and sustainability is reflected in our pique and blanket products, which have been awarded the prestigious Oeko-Tex Standard certification. This certification guarantees that our products are free from harmful substances and safe for your health, offering peace of mind alongside comfort and style.

Whether you're looking to enhance your living space or elevate the guest experience in your hotel, JANTE's pique and blankets are the indispensable addition you've been searching for. Indulge in the luxurious warmth and timeless design of our collection, and enjoy the perfect combination of elegance and practicality.
